

# The Low Down

VOLUME V  
SPRING 2016

## MAJOR KEY: A #BLESSOPP JAM

▲ In our most egregiously titled jam yet, the LowKeys honored DJ Khaled on Sanders stage with the Opportunes. We sang, we danced, we serenaded, and we said goodbye to our beloved seniors.

## IN THIS EDITION

- MajorKey: A #BlessOpp Jam
- Hello RooKeys, Farewell OldKeys
- *Ignite* and Puerto Rico 2016

## NOTE FROM THE PRESIDENT

Dear LowKey alumni, friends, and family:

I am honored and excited to serve as the next LowKey President. The group has grown so much since I joined the group as a freshman, and I can't wait to see it reach new heights in the year to come.

This past semester, we embarked on an incredible tour of Puerto Rico, put on our best Sanders jam yet, and welcomed three talented new members into our group (Olga Romanova '19, Alex Jin '18, and Tamilyn Chen '18), raising our count of current members with perfect pitch to four (!). Additionally, we digitally released our album *Ignite* on Spotify and iTunes, featuring the best arrangements our group has seen in the past few years.

We send our best wishes to our beloved graduating seniors and look forward to our reunion at our next jam with the Veritones on Saturday, October 29th.

LowKey love,  
Kevin Xiong '17  
President
